

OpenChain Newsletter

Issue # 5

September 2017

tl;dr

We have welcomed two major new Platinum Members. We have improved our quick-start / onboarding material. We have participated in several events. We have continued to expand our translations. We have been featured in a podcast and an academic article for the first time.

OpenChain Platinum Members

We are proud to welcome Toyota and Hitachi as our 11th and 12th Platinum Members respectively. Our partnership with two of Japan's largest companies will help accelerate the growth of the OpenChain Project and adoption of our specification.
